PEACEFUL PILL eHANDBOOK
February 2016 Update

New Hypoxia Supplement: Ch 5
Nogales as the New Hotspot: Ch 17
New Concentrated Nembutal: Ch 17
Dangers of Halatal Varieties in Peru: Ch 7

Hypoxia Supplement

While the Nitrogen Exit Bag is not for everyone, it is of interest for many as a totally lawful option. This new lift-out supplement provides detailed explanations and professional up-close photography of gauges, connections and gases.

See Chapter 5 for pictorial step-by-step

Nogales News

This month the Mexican border town of Nogales follows Tijuana as yet another place to purchase Nembutal over the counter. New pharmacies are identified.

Concentrated Nembutal

While there has always been many different brands of anaesthetic Nembutal sold over the counter in Mexico, they have all been the same strength. Now a new, concentrated form of the drug is available, eliminating the need for more than one bottle.

See Chapter 17 for why this matters

Dangers of Halatal Varieties

Exit reports on the marketing in Peru of Halatal KT. While it looks the same as Halatal (sterile anaesthetic Nembutal), Halatal KT is NOT Nembutal. It is of vital importance that these look-alike products are not confused.

See Chapter 17 to learn the difference
